9th ANNUAL IRISH SODA BREAD BAKING CLASS

WHERE

St. Patrick Parish Hall, 2702 Broadway E, Seattle (North end of Capitol Hill at Roanoke- see Map).

- Hall is on the lower level underneath the Church. There's a handicapped accessible entrance and elevator on the church's northwest corner. **Call (808) 430-7407 for access.**

WHEN

Saturday, February 17, 2018, 1 pm – 5 pm. Doors open 12 noon.

WHO

All adults who are interested in the art of making traditional 'soda bread'.

- There are a few experts planning to help with guidance and advice. **Nutritionist Maureen Keane** will speak to the nutritional values in Irish food, especially soda bread. We are hoping to add a couple more expert bakers to round out the field!

WHAT

- **Bring your mixing bowl and measuring spoons.** Bowl may be metal, plastic, glass or other washable material. The size should allow you to mix the ingredients comfortably using your hands.
- **Bring an apron** and other items to protect your hands and/or clothes. It is best to store your diamonds in a safe place, otherwise you might bake them!
- **We will provide** flour, soda, salt and buttermilk to make a sample cake. The recipe will call for two cups of flour and there will be another cup or so for dusting the bake sheet etc. There are two large ovens in the church kitchen. We hope to be able to bake 4 loaves in each oven on the first round. Time for that will be approximately 90 minutes.
- Should we need to have a second round (more than 8 entries) we will try another bake off.

FEE

\$10.00 cash or check payable to 'Irish Heritage Club'.

- The funds will be used to help defray the cost of the hall, ingredients and insurance.
- We would like to make this as enjoyable as possible and we hope to serve Irish tea and fellowship! This could be a great time to share our talents, stories and pictures. We could exchange favorite recipes!
- You are also invited to enter a freshly baked loaf in the **Irish Soda Bread Contest on Saturday, March 10, at T S McHugh's, 1st & Mercer, Seattle.** See www.IrishWeek.org for details.
